The goal of the Dakota Junior Golf tournaments is to allow junior golfers to learn the game of golf in a competitive setting. Golf etiquette is an essential part of the game. Members, parents, and spectators are expected to behave in accordance with the Rules of Golf. Players are responsible for replacing divots, repairing ball marks and raking bunkers. It is our mission to keep the integrity of the game and not adhering to this guideline could result in a serious breach of etiquette (Rule 33-7) and result in disqualification.
