North Dakota Golf Association

Annual Report

www.ndgolf.org

Dear North Dakota Golfers,

No other sport has figured out how to allow players of varied skills to compete on a friendly and fair basis. The course rating system allows golfers to utilize their handicap in order to compete on an equitable basis among friends or in championships. Whether competing in your four-some, at your club championship, or state championship, the NDGA helps provide the tools to allow all skill levels of golfers to compete on a level playing field to add to the enjoyment of the game for all.

I would like to recommend all member clubs require a GHIN handicap in order to compete in ALL club, local and state events. It ensures a level playing field for all.

The NDGA has developed our state championships into the premier competitions in the state of North Dakota. We provide the best available facilities for our members to compete against each other. We have both gross and net divisions to recognize those with the highest skill level as well as provide a fair competition for those with varying skill levels. We welcome ALL golfers to our championships.

The NDGA provides grants and donations to junior golf programs across the state. A portion of all GHIN fees, tournament registration fees, and donations go toward preserving and promoting the game of golf in ND through our commitment to junior golf programs.

We partnered with Cloverdale Foods last year in providing food for competitors in our events in exchange for voluntary monetary donations. This was extraordinarily successful in raising money for local junior golf programs. Thank you Cloverdale for your generosity.

I encourage everyone to consider making a donation next time you sign up for a NDGA event. These donations, like the Cloverdale donations, will go directly to area junior golf programs.

I'm looking forward to a great 2017 golf season and hope to see you all on the first tee!

Rick Kuhn
President, NDGA

Junior GHIN Memberships are complimentary at every club in the State. GHIN is a wonderful tool for tracking progress and has many new features for tracking scores hole by hole, putting, driving, and ball striking statistics. We strongly encourage all juniors to register for GHIN at their home club and begin entering all rounds played. Junior players can help themselves with the college recruiting process by carrying a GHIN number as well to have a complete scoring record to report to interested college coaches.

A Golf Handicap Index Number does the following:

1. **Levels the playing field – allows golfers of differing abilities to play a fair and competitive round or competition with other golfers of differing skills and gender and from different tees. No other online program can accomplish what the GHIN system can.**
2. **Legitimizes competitions across all USGA GHIN member courses across the world. Wherever a golfer travels to play golf at a USGA licensed golf facility – your GHIN number travels with you and you can fairly compete within the guidelines of the State and National GHIN system.**
3. **Your GHIN membership provides for the promotion of your local club, has given over \$100,000 in grants to Junior Golf across the state.**
4. **The USGA asks all golfers to do their part and play fairly under the Rules of Golf – Your GHIN is an essential component to fair competition.**

The USGA Handicapping Manual has the following information on score posting:

Scores To Post

To post a 9-hole score, the player must play 7 to 12 holes, and at least 7 holes must be played in accordance with the principle of the Rules of Golf. To post an 18-hole score, the player must play at least 13 holes in accordance with the principles of the Rules of Golf. (See Decisions **5-1a/3 through 5-1a/5**.)

Posting a Score When a Complete Round is Not Played

If 13 or more holes are played, the player must post an 18-hole score. If 7 to 12 holes are played, the player must post a nine-hole score. In either case, scores for unplayed holes must be recorded as **par** plus any handicap strokes that the player is entitled to receive on the unplayed holes. (See Section **4-2** and **5-1a**.)

Example: A player with a **Course Handicap** of 30 stops playing after 16 holes because of darkness. Hole 17 is a **par** 3 and is the number 18 *handicap-stroke hole*. The player will record 3 (**par**) plus 1 handicap stroke for an X-4 on hole 17. Hole 18 is a **par** 4 and is the number 12 *handicap-stroke hole*. The player will record 4 (**par**) plus 2 handicap strokes for an X-6 on hole 18.

Scores on All Courses

Adjusted gross scores from all courses with a **USGA Course Rating** and **Slope Rating** made during an **active season**, both at home and away, must be posted by the player along with the appropriate **USGA Course Rating** and **Slope Rating**. (See Decision **5-1b/1**.)

Scores in All Forms of Competition

Scores in both match play and stroke play **must** be posted for handicap purposes. This includes scores made in match play, in multi-ball, or in team competitions in which players have not completed one or more holes or in which players are requested to pick up when out of contention on a hole. (See Decision **5-1c/1** and Section **4**.)

North Dakota Golf Association – 2016

Player of the Year and Senior Player of the Year

The North Dakota Golf Association Player Point System shows points allotted in the table below. Points are awarded in a two-year period. The first year of the two is divided in half and year two points are given full credit to award 3 NDGA Players, the top 2 spots by most points and the 3rd is an NDGA Board Selection, the opportunity to represent North Dakota at the USGA State Team Championship. The NDGA provides a stipend to cover most of the expenses for players to travel to this prestigious event

All Ranges of handicap players are welcome to participate in NDGA Championships. Every event is handicapped and allows players who carry a Higher Index an opportunity to compete with like Handicap Index players. The spirit of competition, high quality golf, and championship atmosphere are just a few of the reasons to have your group of players join us at the events listed above.

The NDGA wishes to thank Cloverdale Foods for providing food for the events in 2016 and for assisting host clubs in raising funds for junior golf programs.

2016 North Dakota Golf Association Member Clubs

Membership of golf clubs, courses, and local associations is an important asset to golfers in all communities and at local courses. Member courses and associations receive following complimentary benefits:

- Promotion of member golf courses online and in print publications
- Opportunity to apply for Junior Golf Grants from the NDGA where over \$70,000 has been given to develop junior golf the past 8 years.
- Golf Course rating system – Every 10 years golf courses must be re-rated as the USGA makes changes to their formulas for Handicap Index, Slope and overall course rating.
- Opportunities for GHIN members of local associations to play in NDGA State Championships.
- Access to USGA Green Section Agronomists and information regarding soil specific, geographical location-specific greenskeeping methods.
- Networking with golf courses to provide best practices in golf course operations, tournament operations and maintaining USGA Amateur Status Guidelines.
- Complimentary access to ruling information from the Staff at the NDGA – the state’s authority on the Rules of Golf.
- Free access to GHIN Tournament Pairing Program and Online GHIN Tournament Pairing Program that is used to create, score and manage all of NDGA State Tournaments. This is available by contacting the NDGA at www.ndgolf.org
- Complimentary online score posting, access to eGolfer tools including game tracker through GHIN.com and the vast information from the USGA through local associations and golf courses.

If your course or association would like more information regarding rating, GHIN, TPP, Golf Genius, or any other issues – contact us at ndga2020@gmail.com
