

## 2023 NDGA Schedule Release

**For Immediate Release-** The North Dakota Golf Association (NDGA) is excited to announce it's 2023 Schedule. The NDGA recently completed a successful 2022, events across the state were filled to capacity!

“We are looking forward to an incredibly competitive season in 2023 for the North Dakota Golf Association. We are bringing more opportunities to compete in the NDGA State Championships and have added events to our already robust schedule. Our mission to create diverse opportunities for all level of players and offer the most competitive amateur championships throughout our schedule, we believe our upside is limitless. The NDGA will also be adding title sponsors for each event and this will increase our ability to make the great events even more enticing for players to come and compete,” Tim Doppler, Executive Director NDGA.

The season starts with our first ever Short Course Championship in Minot. The event will be a 2 person scramble, followed by a shootout with the top 5 teams. Event #2 on the schedule is the always popular 2 Man Scramble in Medora, the event is a sell out each year! Stop 3 on the tour is a trip to Rose Creek in Fargo for the NDGA 4 Ball. Fathers Day weekend in 2023 features a new event in the Missouri River Classic, hosted with DJGA, the Stroke Play event features age groups from 6 years old through Super Seniors.

July tees off with the NDGA Stroke Play at Riverwood, immediately followed by the High School and College Championships. Last season's first ever college championship was a huge success, we expect the same in 2023. Late July finds the always popular Match Play with all divisions again featured, this year at Jamestown Country Club.

August brings a new event to the tour with the 4 Ball Match Play event, hosted at Tom O'leary in Bismarck, the back nine and its risk-reward opportunities should create a fabulous match play environment. September starts with the 3 Man event at the Minot Country Club and the season concludes with the always popular Fall Scramble at Crossroads in Carrington.

All events feature Open, Mid-am, Senior and Super Senior Divisions. Registration for the events will begin April 1 at [NDGOLF.ORG](http://NDGOLF.ORG)
