

**ANNUAL  
REPORT**

**2017**  
~~~~~

**North Dakota Golf Association**

**Dear North Dakota Golfers,**

**Golf in North Dakota continues to be a leader of sports played in our state. We are pleased to deliver the results of some of the work that occurs within the North Dakota Golf Association. We thank all of you for the wonderful support of our association and for this great game!**

**No other sport has figured out how to allow players of varied skills to compete on a friendly and fair basis. The course rating system allows golfers to utilize their handicap in order to compete on an equitable basis among friends or in championships. Whether competing in your four-some, at your club championship, or state championship, the NDGA helps provide the tools to allow all skill levels of golfers to compete on a level playing field to add to the enjoyment of the game for all.**

**I would like to recommend all member clubs require a GHIN handicap in order to compete in ALL club, local and state events. It ensures a level playing field for all. A GHIN does so much to assist the NDGA and the NDWGA in administering course ratings, tournament operations, staff development, community outreach and much more.**

**The NDGA has developed our state championships into the premier competitions in the state of North Dakota. We provide the best available facilities for our members to compete against each other. We have both gross and net divisions to recognize those with the highest skill level as well as provide a fair competition for those with varying skill levels. We welcome ALL golfers to our championships.**

**The NDGA provides grants and donations to junior golf programs across the state. A portion of all GHIN fees, tournament registration fees, and donations go toward preserving and promoting the game of golf in ND through our commitment to junior golf programs. Golf courses, junior programs, and small junior golf tours benefit from these grants as well.**

**I encourage everyone to consider making a donation next time you sign up for a NDGA event. These donations, like sponsorships and donations, will go directly to area junior golf programs.**

**Enjoy the pages that the NDGA Staff has put together for your enjoyment and discussion with friends and playing partners. I'm looking forward to a great 2018 golf season and hope to see you all on the first tee!**

**Rick Kuhn  
President, North Dakota Golf Association**

Junior GHIN Memberships are complimentary at every club in the State. GHIN is a wonderful tool for tracking progress and has many new features for tracking scores hole by hole, putting, driving, and ball striking statistics. We strongly encourage all juniors to register for GHIN at their home club and begin entering all rounds played. Junior players can help themselves with the college recruiting process by carrying a GHIN number as well to have a complete scoring record to share with interested college coaches.

### **Scores To Post**

To post a 9-hole score, the player must play 7 to 12 holes, and at least 7 holes must be played in accordance with the principle of the Rules of Golf. To post an 18-hole score, the player must play at least 13 holes in accordance with the principles of the Rules of Golf. (See Decisions 5-1a/3 through 5-1a/5.)

### **Posting a Score When a Complete Round is not Played**

If 13 or more holes are played, the player must post an 18-hole score. If 7 to 12 holes are played, the player must post a nine-hole score. In either case, scores for unplayed holes must be recorded as *par* plus any handicap strokes that the player is entitled to receive on the unplayed holes. (See Section 4-2 and 5-1a .)

*Example:* A player with a *Course Handicap* of 30 stops playing after 16 holes because of darkness. Hole 17 is a *par* 3 and is the number 18 *handicap-stroke hole*. The player will record 3 (*par*) plus 1 handicap stroke for an X-4 on hole 17. Hole 18 is a *par* 4 and is the number 12 *handicap-stroke hole*. The player will record 4 (*par*) plus 2 handicap strokes for an X-6 on hole 18.

### **Scores on All Courses**

*Adjusted gross scores* from all courses with a *USGA Course Rating* and *Slope Rating* made during an *active season*, both at home and away, must be posted by the player along with the appropriate *USGA Course Rating* and *Slope Rating*. (See Decision 5-1b/1.)

### **Scores in All Forms of Competition**

Scores in both match play and stroke play **must** be posted for handicap purposes. This includes scores made in match play, in multi-ball, or in team competitions in which players have not completed one or more holes or in which players are requested to pick up when out of contention on a hole. (See Decision 5-1c/1 and Section 4.)

The Senior Best Ball Championship was played on June 2<sup>nd</sup> at Heart River Golf Course in Dickinson, ND. 17 teams competed in this 18 hole, one-day championship. HRCG did a great job getting their golf course ready for this competition through some difficult Spring conditions. Thanks to the HRCG Staff for preparing the course and conducting a great championship.

In 2018, the Senior Best Ball Championship will be played over the weekend of the 4-Ball Championship. The addition of the Senior's to the weekend play will be an opportunity for players who are 55 and over to play both days of the championship instead of one day. Plan ahead for our inaugural visit to the new Minnet Country Club in 2018!

**32 golfers played the 54-hole Stroke Play Championship. Rain delayed the second round on Saturday and players who did not complete their second round had to finish that round on Sunday as well as play their final rounds. This was a very good turnout for the whole competition in 2017.**

**In 2018, the Mid-Amateur qualifying age will be lowered to 30 years of age from where it was previously at 40 years of age. We hope that this change will entice more golfers in the age ranges of 30 to 54 to join our championships and the wonderful competition and fun that comes with competing at the State's finest golf courses.**

**2017 hosted one of the lowest turnouts for the State Senior Championship in years at 44 players. Partially due in part to a change of location late in the year we are encouraging all 55+ golfers to join us at Apple Creek CC in Bismarck for the Seniors in 2018. This event will mark the return of the Hall of Fame Banquet where a number of inductees will be enshrined. Please join the week of August 2-5 to play in this historic event and to take part in the new Hall of Fame Induction Ceremony.**

Golf is an ancient sport that dates back over 600 years from bored sea merchants who had little to do and were hitting stones with sticks. The game took several turns before becoming the widely played sport today. North Dakotans rank among the most golf-playing people in the nation. The North Dakota Golf Association provides numerous opportunities to grow the game across the state. Over the past three decades the NDGA has averaged over \$12,000 in grants to golf courses, junior programs and teaching professionals working with children at their home clubs.

The NDGA is asking for your help to continue growing the game and to keep the grant funding at a high level. If you are interested in contributing to junior golf grants and scholarships, please complete the donation form below and mail to the NDGA – address below.
