

2018

North Dakota Golf Association

ANNUAL REPORT

Dear North Dakota Golfers,

It is an extremely exciting time to be a golfer. January 1, 2019 brings major changes to the Rules of Golf. The process to modernize the Rules began in 2012 and was initiated to ensure that the Rules are easier to understand and apply for all golfers and to make the game more attractive and accessible for newcomers. The following are the main changes to the Rules of Golf that took effect January 1, 2019 that are expected to have the most impact on the game and to be of most interest to golfers.

BALL AT REST

Ball moved during search...no penalty for accidentally moving your ball during search

No penalty for moving ball on the putting green...no penalty for accidentally moving your ball or ball-marker on the putting green

Standard for deciding why a ball moved...new standard to determine if you caused your ball to move, player is not responsible for causing a ball to move unless it is "virtually certain" that he or she did so

Replacing ball when original spot is not known...when the original location of your ball is not known, replace it on its estimated spot

BALL IN MOTION

Ball in motion accidentally deflected...no penalty if your ball in motion is accidentally deflected by you, your equipment, or your caddie

TAKING RELIEF

Measuring the size of the relief area where a ball must be dropped and played...your relief area for dropping a ball will be a fixed size of either one or two club-lengths using the longest club in your bag, excluding your putter

New procedure for dropping a ball...your ball must be let go from knee height and fall through the air without touching any part of your body or equipment

Where a dropped ball must come to rest...your ball must come to rest in the relief area where it was dropped, or else it must be redropped

Fixed distances to be used for measuring...a fixed distance of the longest club in your bag, other than your putter, will be used for measuring

Time for search before ball is lost...your ball is lost if not found in three minutes (rather than the current five minutes)

Substitution of ball always allowed when taking relief...you may always substitute a ball when taking relief

Relief for an embedded ball...relief allowed without penalty for an embedded ball anywhere (except in sand) in the "general area" (a new term for "through the green")

Procedure for taking lateral relief...In taking lateral relief, you will drop within two club-lengths of where your ball entered the penalty area.

Procedure for taking back-on-the-line relief...one of your options for relief from either a red or yellow penalty area will be called back-on-the-line relief

AREAS OF THE COURSE

When to replace a ball that moves on the putting green...after your ball has been lifted and replaced, you would always replace your ball on its original spot, even if it was blown by the wind or moved for no clear reason

Repairing damage on the putting green...repair of almost any damage allowed on the putting green (including spike marks and animal damage)

Touching line of play on a putting green...no penalty for touching your line of play on the putting green so long as doing so does not improve the conditions for your stroke

Ball played from the green hits unattended flagstick in hole...no penalty if your ball played from the putting green (or anywhere else) hits the unattended flagstick in the hole

Areas the committee may mark as penalty areas...areas of desert, jungle, lava rock, etc. (in addition to areas of water) may now be marked as red or yellow "penalty areas"

Touching loose impediments or ground in a penalty area...no penalty for moving loose impediments, touching the ground, or grounding your club in a penalty area

Expanded use of red-marked penalty areas...committees are given the discretion to mark any penalty area as red so that lateral relief is always allowed

Elimination of opposite side relief for red penalty areas...relief from a red penalty area no longer allowed on the opposite side from where the ball last entered the penalty area

Moving or touching loose impediments or touching sand in a bunker...relaxed rules relating to loose impediments and touching the ground in a bunker

Unplayable ball in bunker...relief allowed outside a bunker for an unplayable ball for two penalty strokes

EQUIPMENT

Use of clubs damaged during round...a club damaged during a round can continue to be used even if you damaged it in anger

Adding clubs to replace a club damaged during round...you will not be allowed to replace a damaged club during a round if you were responsible for the damage

Use of distance-measuring devices...the use of DMDs will be allowed unless a Local Rule has been adopted prohibiting their use

PLAYING A BALL

Caddie standing behind a player to help line the player up...a caddie is not allowed to stand on a line behind you while you are taking your stance and until your stroke is made

Caddie lifting ball on the putting green...your caddie may lift and replace your ball on the putting green without your specific authorization to do so

Ball accidentally struck more than once during a stroke...if your club accidentally strikes your ball more than once during a stroke, there will be no penalty and your ball will be played as it lies

WHEN TO PLAY DURING A ROUND

Encouraging prompt pace of play...it is recommended that you play "ready golf" and make each stroke in no more than 40 seconds

Maximum score form of stroke play...a new "Maximum Score" form of stroke play is recognized, where your score for a hole is capped at a max score

PLAYER BEHAVIOR

Expected standards of player conduct...The proposed new Rules speak to the high standards of conduct expected from players

Code of player conduct...committees are given authority to adopt their own code of player conduct and to set penalties for breaches of that code

Elimination of the requirement to announce the player's intent to lift a ball...when you have good reason to mark and lift your ball, you are no longer required to first announce your intention

Reasonable judgment in estimating and measuring...a player's reasonable judgment will not be second-guessed on later evidence

NEW LOCAL RULE

Local Rule: Alternative to stroke and distance...a new Local Rule will provide an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds

The NDGA is one of fifty-nine regional golf associations that have entered into a new relationship with the United States Golf Association (USGA) to enhance the golfer experience at the state and local level. The NDGA was identified through a nearly year-long discovery process that encouraged collaboration among existing golf organizations within each state and region, sharing best practices and leveraging programs that have made a positive impact.

The NDGA is proud to be an Allied Golf Association (AGA) supported by the USGA's five existing regional affairs offices. The NDGA will administer the USGA Handicap and Course Rating Systems as well as serve as our state's primary resource for USGA services such as championship qualifiers, governance, golf facility support and programs that help grow and improve the long-term health of the game. The NDGA also serves as local experts for education on topics such as modernizing golf's rules, the new World Handicap System and related governance functions.

The NDGA provides grants and donations to junior golf programs across the state. A portion of all GHIN fees, tournament registration fees, and donations go toward preserving and promoting the game of golf in ND through our commitment to junior golf programs. Golf courses, junior programs, and small junior golf tours benefit from these grants as well.

I encourage everyone to consider making a donation next time you sign up for a NDGA event. These donations, like sponsorships and grants, will go directly to area junior golf programs.

I would like to recommend all member clubs require a GHIN handicap in order to compete in ALL club, local and state events. It ensures a level playing field for all. A GHIN does so much to assist the NDGA and the NDWGA in administering course ratings, tournament operations, staff development, community outreach and much more.

Golf in North Dakota continues to be a leader of sports played in our state. We are pleased to deliver the results of some of the work that occurs within the North Dakota Golf Association. We thank all of you for the wonderful support of our association and for this great game! Enjoy the pages that the NDGA Staff has put together for your enjoyment and discussion with friends and playing partners. I'm looking forward to a great 2019 golf season and hope to see you all on the first tee!

Rick Kuhn,
President, North Dakota Golf Association

Scores Posted Breakdown '18:

North Dakotans continue to love the game of golf. Be a good steward to fairness and remember to post your scores when you play 9 or 18 and refer to the information in this booklet about stipulated rounds and rounds in competition: Scores Posted from April 1 Revision to November 15 Revision:

18 Hole Scores Posted	2018 Numbers	2017 Numbers	2016 Numbers
1 Round posted	149 Golfers	147 Golfers	297 Golfers
9 and under Rounds Posted	1275 Golfers	1276 Golfers	1428 Golfers
10-20 Rounds Posted	1406 Golfers	1279 Golfers	1399 Golfers
21-30 Rounds Posted	752 Golfers	803 Golfers	893 Golfers
31-40 Rounds Posted	460 Golfers	520 Golfers	481 Golfers
41-50 Rounds Posted	301 Golfers	308 Golfers	286 Golfers
51-60 Rounds Posted	214 Golfers	198 Golfers	183 Golfers
61-70 Rounds Posted	127 Golfers	139 Golfers	112 Golfers
71-80 Rounds Posted	72 Golfers	86 Golfers	51 Golfers
81-90 Rounds Posted	52 Golfers	32 Golfers	32 Golfers
91-100 Rounds Posted	30 Golfers	33 Golfers	23 Golfers
100 + Rounds Posted	126 Golfers	58 Golfers	24 Golfers

Junior GHIN Memberships are complimentary at every club in the State. Any junior golfer is able to register for a free ghin through their 18th year. Once they turn 19 they can pay for the GHIN registration at the club they are using as their home course. GHIN is a wonderful tool for tracking progress and has many new features for tracking scores hole by hole, putting, driving, and ball striking statistics. We strongly encourage all juniors to register for GHIN at their home club and begin entering all rounds played. Junior players can help themselves with the college recruiting process by carrying a GHIN number as well to have a complete scoring record to share with interested college coaches.

North Dakota high school, middle school and all regular players should be posting all acceptable scores to track progress and to demonstrate their compliance with the Handicapping rules from the USGA. Play 9, post 9, and see below for further information on acceptable scores for stipulated 9-hole and 18-hole rounds.

The USGA Handicapping Manual has the following information on score posting:

Scores To Post

To post a 9-hole score, the player must play 7 to 12 holes, and at least 7 holes must be played in accordance with the principle of the Rules of Golf. To post an 18-hole score, the player must play at least 13 holes in accordance with the principles of the Rules of Golf. (See Decisions **5-1a/3** through **5-1a/5**.)

Posting a Score When a Complete Round is not Played

If 13 or more holes are played, the player must post an 18-hole score. If 7 to 12 holes are played, the player must post a nine-hole score. In either case, scores for unplayed holes must be recorded as *par* plus any handicap strokes that the player is entitled to receive on the unplayed holes. (See Section **4-2** and **5-1a**.)

Example: A player with a **Course Handicap** of 30 stops playing after 16 holes because of darkness. Hole 17 is a *par* 3 and is the number 18 *handicap-stroke hole*. The player will record 3 (*par*) plus 1 handicap stroke for an X-4 on hole 17. Hole 18 is a *par* 4 and is the number 12 *handicap-stroke hole*. The player will record 4 (*par*) plus 2 handicap strokes for an X-6 on hole 18.

Scores on All Courses

Adjusted gross scores from all courses with a **USGA Course Rating** and **Slope Rating** made during an *active season*, both at home and away, must be posted by the player along with the appropriate **USGA Course Rating** and **Slope Rating**. (See Decision **5-1b/1**.)

Scores in All Forms of Competition

Scores in both match play and stroke play **must** be posted for handicap purposes. This includes scores made in match play, in multi-ball, or in team competitions in which players have not completed one or more holes or in which players are requested to pick up when out of contention on a hole. (See Decision **5-1c/1** and Section **4**.)

State 4-Ball Championship Results and Recap are below: - Minot Country Club

North Dakota Golf Association State 4-Ball Championship Blows into Minot Country Club

Teddy Roosevelt said, "It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat."

To test oneself on a golf course in adverse conditions and enter the arena of competition against the full might of Zephyrus's (god of the west wind) mighty lungs is a feat only the competitors at Minot Country Club can describe. Sustained winds of 36 mph with gusts to 50+ were the consistent conditions for a rain delayed start at Minot CC. The 3 pm shotgun was met with groans and some dismay as players realized they would be heading to the course under tempestuous conditions. The beauty and grace of an accomplished golfer was reduced to a huddled lash to avoid falling to the ground after the ball was struck. These were the sights from the lofty perch of the Elevation restaurant located at Minot Country Club. Yet, with all of these impediments the field finished the round and scores revealed the difficulty encountered through the peril. One bright shining team was Bryce Bohl and Brady Bohl who shot a 5-under round of 67 in the Open Division.

The second day of the the 2-day Best Ball Championship was much nicer and scores reflected the change in weather. Spencer Hilde and Cody Reynolds blazed a trail to victory by scoring a best day 2 score of 64. The magic in the wind eluded Bohl and Bohl on the second day as they settled for the Net Division Championship. The Senior Division saw a playoff between Rugby natives, Randy Westby and Keith Duchscher against Paul Schable and Craig Bihrlle currently of Bismarck. It was Duchscher's eagle on the second hole of the playoff that won Westby and Duchscher the title. The Mid-Am Division also had a playoff for the Net Championship that saw Jamie and Josh Ressler fall to Shane Hannegreffs and Paul Ralston from Minot.

Top Finishers are included below - for a full list of results please visit www.ndgolf.org - click on "Event Sign Up" and results are listed next to the tournament schedule. Thank you to Minot Country Club for hosting this event and for all the great work to get the golf course ready to play on Saturday.

Recap of the State Stroke Play Championship – 2018

The rain clouds followed the NDGA to Grand Forks this week like a bogey always follows a birdie for the State Stroke Play Championship held at the wind blown links of Kings Walk Golf Course. The wind played a factor on Day 1, but some low scores were still posted in every division. Eventual Champion, Adam Vanraden carded the low score of the day in round two with a 66 followed by Cody Reynolds who shot a 68 in round one. Day 2 started off with a few showers but that was not enough to stop NDGA veteran Randy Westby from coming back from a 2 shot deficit heading into the final round. Westby came out on top of the Senior Division with a 2 stroke lead taking home the title with a 2 day total of 146.

The future of golf in Grand Forks looks very bright with the tremendous turnout and talent of kids from the surrounding area with 4 of the 10 local young participants placing in the top 10. The Mid-Am division was a fierce one with the Net Division heading to a playoff between Joe Bryan and Steve Fundingsland for 1st place in the Net Division. Fundingsland prevailed in the one hole playoff. Paul Langhans claimed the top spot in the gross category and title of Stroke Play Mid-Am Champion for 2018. Thank you to Dan Tannahill, grounds crew and the entire staff at Kings Walk Golf course for the work they did for the tournament.

MID AM CHAMPIONSHIP

Many thanks to Dave Schultz and the staff at Maple River Golf Course. Players were treated with amazing meals for the event each day, very friendly staff and local players from the course in the event. The competition was a perfect match for the golf course and the staff at Maple River was second to none over the three days of fantastic golf. Please make sure you visit Mapleton and play the golf course and visit the friendly folks at MRGC. Tell them the NDGA sent ya!

Congratulations to the Hall of Fame Class of 2018

We congratulate the new inductees to the Hall of Fame for the past year. Bruce Ruppert (professional) from the Vardon Club, Mark Ohlhauser (player) from Bismarck, ND, Rick Kuhn (player) from Bismarck, ND and Dough Taylor (player) from Williston, ND were inducted into the hall of fame. A crowd of State Senior competitors, players' families, staff, and friends welcomed these four NDGA standouts into the history books. The Hall of Fame of the NDGA inducts players, honorary members and professionals into the HOF every three years. The application is available on the www.ndgolf.org website. Congratulations to these players and contributors to the legacy of golf in the great state of North Dakota!

2018 NDGA Hall of Fame Inductees Bruce Ruppert, Mark Ohlhauser, Rick Kuhn and Doug Taylor. Congratulations!

North Dakota Golf Association

2019

Donations

Golf is an ancient sport that dates back over 600 years from bored sea merchants who had little to do and were hitting stones with sticks. The game took several turns before becoming the widely played sport today. North Dakotans rank among the most golf-playing people in the nation. The North Dakota Golf Association provides numerous opportunities to grow the game across the state. Over the past three decades the NDGA has averaged over \$12,000 in grants to golf courses, junior programs and teaching professionals working with children at their home clubs.

The NDGA is asking for your help to continue growing the game and to keep the grant funding at a high level. If you are interested in contributing to junior golf grants and scholarships, please complete form with donation and mail.

Thank You!
